

# Vacancies for Sustainable Cities Summer Camp 2025

For the fifth time UWC Robert Bosch College offers a summer course on sustainable cities from 20<sup>th</sup> July – 2<sup>nd</sup> August 2025 in Freiburg. This summer course will bring together young people (16-18 years old) from Germany and all around the world for two weeks to explore answers to a simple question: What do we want the cities of the future to look like?

For this year's summer course team, we are looking for additional

- **Junior Team Members (m, f, d)**

who can help us organize and deliver an amazing summer experience for young people.

## **What are we looking for:**

- You are passionate about topics such as sustainable architecture, renewable energy, urban planning, public transport, climate justice, etc. and you want to inspire young people with your enthusiasm.
- You enjoy working with engaged 16-18 year old young people
- You enjoy, and have a track record of working as part of a dynamic team
- You enjoy, and have a track record of helping organize events (courses, festivals etc.)
- Driver's license and the willingness to drive a 9-seater van is considered an asset but is not a prerequisite

## **Responsibilities:**

- You can participate in regular online meetings preparing the summer camp in the time before July (approx. 1h/week in May & June)
- You are available for the whole duration of the camp including team days before and after the official camp time. This means being in Freiburg from July 18<sup>th</sup> (noon) to August 3<sup>rd</sup> 2025 (morning).
- You will take responsibility for organizing some components of the camp (e.g. a workshop or a hike)
- During the duration of the summer course, you will be supporting the team on 5 days per week (so 10 days in total), assigned according to a rota. During these 5 days per week, you will be expected to be present during all phases of the program, from breakfast to after-dinner activities. We will provide accommodation on campus for you for the full duration of the summer course.

## **What we are providing for our team members:**

- Appropriate remuneration
- Free food & accommodation on campus during the full period (including on your days off)
- Reimbursement of your travel costs (within Europe) for travelling to/from Freiburg
- Hopefully, an amazing time with interesting field trips, discussions, conversations over freshly made pizza from the clay oven or around the campfire
